-2-

- g. Gun battery located at Marianske Lazne. Weapons: 76 mm howitzers and Soviet 120 mm mortars.
- h. Motorized squad located at Marianske Lazne.
- i. Supplementary company located at Mosto Teplo (N50/P66).
- j. Commander's company located at Marianske Lazne.
- k. Technical company located at Marianske Lazne.
- l. Also attached to the regiment is a Signal Squad which is equipped with German telephones, Soviet radio sets which can be carried on the men's backs, and small radio-telephone sending and receiving sets of German make.
- 4. The command of the 50th Infantry Regiment has the following vehicles at its disposal:
  - 8 5-ton trucks, Praga RN.
  - 4 automobiles, Wanderer, Skoda and Praga.
  - 2 Terrain (sic) cars, Skoda Tudor.
  - 10 new motorcycles, Jawa, cylinder capacity 1.5 liters.
  - 100 horses.
- 5. Supplies of live ammunition, arms and clothing are maintained within the caserne at Marianske Lazne. However, the main ammunition dump of the regiment is located in the forest near Marianske Lazne between the villages of Dmoul (N50/P56) and Hovorniky (N50/P56) near the Lido swimming pool. The dump is surrounded by a barbed-wire fence and is guarded by nine men and one officer. The area near the fence has been mined and posted with signs, "Careful, danger to life, mines". Since February 1950 when these mines were laid, an operations officer has been assigned to maintain contact with all units of the 50th Infantry Regiment not in Marianske Lazne, as well as border guard units and SWB stations, by means of both civilian and field telephone, so as to assure that everything is in order and that the telephone lines are working.
- 6. The main ammunition dump for the 13th Infantry Division at Karlovy Vary is located near Dolni Muboka (N51/P67) in a wood south of Stari Dvur. The latter community is located on the road between Becov (N51/P67) and Nova Ves. This dump has been in use since the fall of 1949. The military guard is supplied alternately by a unit of the 13th Division located in Dvory (N51/P58) and by the 50th Regiment. A new group of guards is brought by truck once a week from Dolni Muboka and they are supplied with dry rations.
- 7. Officers of the 50th Infantry Regiment are:
  - a. Commanding Officer Major Biteshov, born about 1904; a fanatical Communist; now attending school.
  - b. Acting Commanding Officer Staff Capt. Machala, who will eventually become Deputy Commanding Officer and Chief of Staff. He was born about 1910 and is a fanatical Communist.
  - c. Enlightenment Officer Capt. Mepexery, born about 1916; a fanatical Communist.
  - d. Supply Officer Capt. Petr Makusy, a Slovak, born about 1905; a fanatical Communist.
  - e. Quartermaster Lt. Bezka\*, born about 1916; not a convinced Communist although a party member.
  - f. Armament Officer 1st Lt. Miksa, born about 1905; a fanatical Communist.
